Supervisor Jeff Stone Third District

February 20, 2013

Re: Renaissance Village of Murrieta, CA. USA

I am pleased to provide this letter of support for the above referenced project. This wonderful project and its development staff are clients of the Office of Foreign Trade here at the County of Riverside and have been for the last two years. This team has created medical and retail centers in our county, utilizing the EB-5 Visa Program along with their federally approved EB-5 designation.

USA Regional Center continues to provide quality projects that permit investors to participate in Visa programs that contain a pathway to permanent residency and citizenship in our country. The leadership of this organization is in good standing with the County Office of Foreign Trade, County of Riverside and its elected leaders on the Board of Supervisors.

This project is a state of the art facility designated to bring over four hundred direct and indirect jobs within the medical sector of our economy, while creating numerous construction jobs during its development phase. This is a great investment to the region and I am honored to have this project within the Third District that I serve.

Sincerely,

JEFF STONE

Supervisor
