To Whom It May Concern:

I am pleased to provide this letter of support for Renaissance Village of Murrieta, California, USA. This project and its development team are clients of the Office of Foreign Trade here at the County of Riverside and have been so, for two years. This development team has successfully created medical and retail centers in the County of Riverside utilizing the EB-5 Visa Program in conjunction with their federally approved EB-5 designation.

USA Continental Regional Center continues to provide quality projects that permit investors to participate in Visa programs that contain a pathway to permanent residency and citizenship in our country. The leadership of this organization is in good standing with the County Office of Foreign Trade, the Economic Development Agency of Riverside County, and our elected leaders on the Board of Supervisors.

Renaissance Village of Murrieta, California is a state of the art facility designed to create jobs within the medical sector of our economy and will also create numerous construction jobs while the village is under construction. Should you have any questions that I can address, please feel free to contact me via email at tomfreeman@rivcoeda.org or via telephone at (951) 955-9812.

Sincerely,

Thomas L. Freeman, Commissioner
EDA-Office of Foreign Trade
County of Riverside, California
United States of America

cc: Marion Ashley, County Supervisor, 3rd District
Jay E. Orr, County Executive Officer
Robert Field, Assistant County Executive Officer/EDA
Lisa Brandl, Managing Director/EDA

Mayor, City of Murrieta
City Manager, City of Murrieta
